SECTION 3: WOOD PRODUCT SALES INFORMATION

FSC and PEFC have established fee structures to support their global operations as standard bearers. These fees are collected by SCS and passed on directly to FSC and/or PEFC. Depending on the country in which your company is based and desired certification, the standardized fee schedule is based on either your total annual sales of wood products or total number of sites included in the scope of certification, respectively. The estimated fee will be indicated on our proposal to you. ***Note: if you are applying for SFI certification and will be sourcing wood fiber directly from the forest, you must first register as a Program Participant directly with SFI, who collects fees directly from applicants. See: http://www.sfiprogram.org/files/pdf/sfilicensingapplicationpdf/***

Please provide the following sales data for your most recently completed fiscal year so that we may provide you with an estimate of the FSC AAF and/or PEFC fee(s) that your organization would owe as a certificate holder. FSC Annual Administration Fees (AAF) are prorated based on the quarter in which you become certified, whereas PEFC fees are known at the time of the submission of our proposal to you.

Total company revenue (revenue derived from the provision of goods and services, less intracompany sales, trade discounts, VAT, and any other taxes, per FSC-POL-20-005 v3-1) *of all products* for the most recent fiscal year: 4,638,879.21	**Currency:** USD
